23 July 1956

MEMORANDUM TO: All Vital Materials Control Officers
SUBJECT : Evacuation of Indispensable Records to
Relocation Site

1. A requirement has been put on this agency to review the volume of indispensable operating records at Relocation Site to be certain that personnel can pick up those records and carry them to a new location if fallout requires.

2. A list and your best estimate of the volume of the records your office would consider indispensable should be furnished the Custodian of Vital Materials not later than 1200 hours 24 July 1956.

FOR THE DEPUTY DIRECTOR (SUPPORT)

25X1A9a

Acting Chief, Management Staff
